You: Today is one of those days.
Friend: What do you mean?
You: You know. Look around this room. Isn't it obvious?
Friend: Oh yeah. I see what you mean.
You: I can't help but feel like this.
Friend: Is that a good or bad thing.
You: Are you really asking me or is that a joke?
Friend: A joke, of course.
You: Good. For a second, I thought you were serious.
Friend: You know me. Am I ever serious?
You: I don't know. All I know for sure is, today is one of those days.
